DESCRIPTIONS:

JUURIKASAARI FESTIVAL HOUSE - Juurikkasaari is a pleasant choice of venue for companies and training courses. In the summer time the lapping of lake Päijänne can be heard through the windows of the conference room while in winter the ski tracks and ice fishing spots are just as close by.

You will be satisfied with our menu and we also have all the necessary technology for your use. You can connect to the Internet using the wireless network while we offer a dataprojector, an overhead projector, a memoboard and a sound system for presentations.

There is room for 80 people to be comfortably seated in Juurikkasaari's meeting rooms and we also have smaller rooms for groups of less than ten people.

Juurikkasaari is a wonderful base for a day outdoors. You can relax on and in the lake, in the lakeside sauna or at the dance pavilion full of feeling. In addition, we organize professional program services and top class performers for our guests.
