

Optional Tours and Social Program

Professional congress organizers are experts in tailoring social program for congress visitors. Jyväskylä Events has more than 20 years of experience in planning evening program, excursions, tours and visits for international and national participants of congresses and meetings. The following show some samples of the range of the programs in Jyväskylä and surroundings. For detailed programs or special offers please contact Confedent International - Jyväskylä Events: jyvaskyla@confedent.fi.

Finnish Evening

The program of the Finnish Evening offers a typically Finnish setting for the evening with some special program and a Finnish meal. Several choices are available.

Gala Dinner

For congress dinners there are choices for your event whether you have 100 persons or even 1000-1500 persons. The setting will be tailored for the congress with special decorations and menus.

City Sightseeing Tour of Jyväskylä

A 2-hour bus tour guided in the language of the congress offers various sights of the congress city and its surroundings.

Alvar Aalto Tour of Jyväskylä

A 3-hour bus tour will present you the city area of Jyväskylä and especially the architecture of the world famous Finnish Architect Alvar Aalto.

Visit to the Bedrock Planetarium

A bus tour to the Planetarium with special program and sightseeing.

Boat Tour to Lake Päijänne

Boat tours of various lengths on Lake Päijänne the second largest lake of the country. Boat sizes are for groups from 20 up to 200 persons. Catering and special program can be included.

Cultural Tour of Central Finland

Tours from 5 hours up can be tailored. The tour could include visits to country museums, farms, art exhibitions, or boat tours. A snack or meal and guide is always included in the tour rate.

Adventure Tour

This is a 5-hour bus tour to a farm house on a river outside the city area. The tour offers activities such as shooting the rapids or cable gliding. A meal is included in the tour rate.

Post-Congress Tours

The program of International congresses often offers pre or post-congress tours the choices might be short local one or two-day tours. Also longer tours to Finnish Lapland or to St Petersburg, Russia are often offered. Below two examples of tours.

St. Petersburg

Finland's location as the next door neighbor to Russia gives an interesting possibility to visit St. Petersburg. The tours organized last 2 to 3 days and offer sightseeing of St. Petersburg, some most interesting sights such as St. Peters Cathedral and the Hermitage and some special evening program. A tour leader is usually included as well as a local English speaking guide. Transportation is arranged by bus or by train.

Finnish Lapland

The Lapland tours present the Finnish Lapland area, including visits to villages and reindeer farms, Lapp museums and the Arctic Circle among others. Transportation is arranged by plane, train or bus depending on the length of the tour.
